

# Reed Industrial

Reed Industrial specialise in providing high calibre, fully-referenced, skills-checked staff for both temporary and permanent positions in the Industrial sector.

With its unrivalled ability in matching the skills and ambitions of talented individuals to the right jobs, Reed Industrial has become one of the best known, trusted and strongest recruitment brands in the industrial sector.

Operating from a nationwide network of 10 branches, we work with leading brand names across a wide range of industries including Logistics, Manufacturing, Distribution, Mail Services and the public sector.

All our consultants are industry experienced, helping them to understand precisely the needs of our clients and match their requirements to suitably qualified candidates from our large job seekers database - which attracts hundreds of new candidates every month.

## Typical jobs

We have extensive experience supplying large numbers of security-cleared staff to bonded and secure warehouses, production support staff and skilled manufacturing plant personnel.

Other vacancies that we recruit for include:

- Warehouse Supervisors
- Distribution Managers
- Operations Directors
- Sorters
- Loaders
- Cleaners
- Packers
- Pickers
- Forklift Drivers
- Warehouse Operatives
- Driver's Mates
- Postal Workers

## Salaries

Depending on the job and location, typical salaries vary between £18,000 - £60,000.

## Client base

We work across a number of specialist sectors. In particular we have an onsite operation to provide all temporary staff for a national distribution company, meanwhile for a major public sector employer we are the sole supplier of all ancillary staff.
